Lord Lieutenant

AND

COUNCIL.

BIBLIOTHECA COLLEGII TRIN. DUBLINENSIS

ESSEX.

WHEREAS in an Act of Parliament, lately paſſed in this Kingdom, Entituled, An ACT for the Explaining of ſome Doubts, ariſing upon an ACT, Entituled, an ACT, for the better Execution of His MAJESTIES Gracious Declaration, for the Settlement of His Kingdom of *Ireland*, and ſatisfaction of the ſeveral Intereſts of Adventurers, Souldiers, and other His Sub-

Subjects there, and for making some alterations of, and additions unto the said ACT, for the more speedy and effectual Settlement of the said Kingdom, **There is one Clause contained in these words following.**

And for the better carrying on of this present Settlement, by raising such a sum of Money, as may be sufficient to buy off several Estates and Interests, which by virtue of the said former ACT are now in being, and if they should be strictly challenged and demanded, according to the Tenour of the said ACT, would in a great measure delay and hinder the Execution of this present ACT. Be it further enacted by the Authority aforesaid, That one Years Rent of all the Lands in *Ireland*, which were returned by the Civil Survey, to belong to any Irish Papist, Popish Recusant or *Roman*-Catholick, according to the Values the same Lands were lett at, in the year One Thousand six Hundred fifty and nine, and of all other the Lands wherein any Adventurer, or Souldier, his Heirs, Executors or Assigns, hath any benefit of Settlement or Confirmation by virtue of this present ACT, (the Lands Settled by *Erasmus Smith*, to any pious or charitable use onely excepted) be forthwith raised and paid unto the Receivers herein after constituted and appointed, by two even and equal Payments, the first payment thereof to begin upon the first day of *Febr.* which shall be in the Year of our Lord One Thousand six Hundred sixty five. The second payment, to be upon the First day of *February*, which shall be in the year of our Lord, One Thousand six Hundred sixty six, under the penalty following (that is to say) every person lyable to the payment of any part of the said Years Rent, and making default, and failing to pay the same, by the space of Twenty days after any the days and times wherein the same ought to be paid, shall be chargeable

and

and is hereby charged with double the ſum, which ought to have been paid as aforeſaid, to be levied by proceſs out of His MAJESTIES Court of Exchequer, in like manner as any the Rents whereof the ſaid Earl of *Orrery* and Lord *Maſſereen* were appointed Receivers by the ſaid former ACT, might have been levied, and if need ſo require, like courſe is to be taken for the aſcertaining of the Value of Lands charged with the ſaid Years Rent, and of returning the ſame into the Exchequer, to remain and be a charge upon Record, as in and by the ſaid former ACT, in caſe of the ſaid other Rent therein ſecured was appointed; and the ſaid Receivers herein after appointed, are to accompt for and pay unto *Arthur* Earl of *Angleſey*, Vice-Treaſurer of *Ireland*, or to the Vice-Treaſurer of *Ireland* for the time being, all and every the ſums of Money by them to be received. Nevertheleſs it is hereby Declared and enacted, that all and every the ſums of Money, formerly paid to the Earl of *Orrery*, and Lord Viſcount *Maſſereen*, in purſuance of the ſaid former ACT, ſhall be allowed to the perſon and perſons ſo paying the ſame, his and their Heirs, Executors and Aſſigns, in full diſcharge, of ſo much of the Rent payable by this ACT, as the Moneys ſo as aforeſaid paid, do or ſhall amount unto; and the two half Years Rent payable to the ſaid Earl of *Orrery*, and Lord Viſcount *Maſſereen*, by any Adventurer or Souldier, their Heirs, Executors, or Aſſigns, by virtue of the ſaid former ACT, ſhall be and are hereby from henceforth Diſcharged: and in caſe the Moneys to be raiſed, as aforeſaid, ſhall fall ſhort of the ſum of Three Hundred Thouſand pounds, then it ſhall and may be lawful to and for the Lord Lieutenant, or other chief Governor and Council there for the time being, to Tax and Aſſeſs upon all the Lands in *Ireland*, ſo much more Money, as together with what hath been before raiſed and allowed

lowed by virtue of this ACT, ſhall make up the full and juſt ſumm of three hundred Thouſand pounds *ſterl.* and to cauſe the ſame to be Aſſeſſed, diſtributed, raiſed and levied by ſuch ways and means as they ſhall think fit, obſerving therein all the equality and indifferency that can be.

And whereas ſince the making of the ſaid ACT His Majeſty by Commiſſion under His Great Seal of *Ireland*, did appoint certain Commiſſioners for the aſcertaining the Years Rent of all Lands, by the ſaid clauſe lyable to the payment thereof, who have aſcertained the ſaid Years Rent, and returned the ſame into His Majeſties Court of Exchequer, by which return it appears, that the whole Moneys raiſed and to be raiſed by the ſaid Years Rent, do fall much ſhort of the ſumm of Three Hundred Thouſand pounds in the ſaid ACT mentioned, the ſaid whole returns of all the Lands lyable to the payment of the ſaid Years Rent, amounting but to the ſumm of One hundred and ninety Thouſand, Seven hundred Eighty nine pounds, Eleven ſhillings Seven pence half penny.

And whereas the Barons of His Majeſties Court of Exchequer, have certified unto Us under their Hands, that there have been diſcharged of the ſaid Years Rent ſo aſcertained and returned by the ſaid Commiſſioners by Judgements and Orders of the ſaid Court of Exchequer ſeveral ſums of Money amounting in the whole to the ſumm of Twelve Thouſand One Hundred Seventy one pounds ſixteen ſhillings ſeven pence. part of the ſaid ſumm of One hundred and ninety Thouſand, ſeven Hundred Eighty nine pounds, Eleven ſhillings ſeven pence half penny, which ſaid ſums ſo diſcharged have been adjudged by the ſaid Court to have been aſſeſſed upon Lands, that by the ſaid ACT are not liable to the payment of the ſaid Years Rent, and the ſaid ſumm of Twelve Thouſand One Hundred Seventy One

pounds,

pounds, ſixteen ſhillings ſeven pence, being deducted from the ſaid ſum of One Hundred and Ninety Thouſand, Seven Hundred Eighty Nine pounds, Eleven ſhillings ſeven pence half penny, there remains of the ſaid Years Rent but the ſum of One Hundred Seventy Eight Thouſand, ſix hundred and ſeventeen pounds, fifteen ſhillings and one half penny, which falls ſhort of the ſaid Three Hundred Thouſand pounds, the ſum of one hundred twenty one thouſand three hundred eighty two pounds four ſhillings and eleven pence half penny.

And whereas his Majeſty by his Contract with our very good Lord, Richard Lord Viſcount Ranelagh, and his Partners, and his Gracious Letters bearing date the One and twentieth day of September 1671, hath been Graciouſly pleaſed for the eaſe of his Majeſties Subjects in this Kingdom, and out of his Clemency and Favour to them to declare, That they ſhall be allowed Eight half-yearly payments, for the paying and anſwering of the ſaid ſum, which the moneys raiſed by virtue of the ſaid years value, ſhall be found to fall ſhort of the ſaid three hundred thouſand pounds, the Firſt half-years payment thereof, to be made on or before the twenty firſt day of March 1672; and the laſt payment thereof, to be on or before the Twenty ninth day of September One thouſand ſix hundred ſeventy five, and hath commanded us to cauſe an Aſſeſſment thereof to be made, upon all the Lands in this Kingdom, according to the Power and Authority given unto us by the ſaid Act. And whereas the late Lord Lieutenant and Council, in purſu-

lowed by virtue of this ACT, ſhall make up the full and juſt ſumm of three hundred Thouſand pounds *ſterl.* and to cauſe the ſame to be Aſſeſſed, diſtributed, raiſed and levied by ſuch ways and means as they ſhall think fit, obſerving therein all the equality and indifferency that can be.

And whereas ſince the making of the ſaid ACT His Majeſty by Commiſſion under His Great Seal of *Ireland*, did appoint certain Commiſſioners for the aſcertaining the Years Rent of all Lands, by the ſaid clauſe lyable to the payment thereof, who have aſcertained the ſaid Years Rent, and returned the ſame into His Majeſties Court of Exchequer, by which return it appears, that the whole Moneys raiſed and to be raiſed by the ſaid Years Rent, do fall much ſhort of the ſumm of Three Hundred Thouſand pounds in the ſaid ACT mentioned, the ſaid whole returns of all the Lands lyable to the payment of the ſaid Years Rent, amounting but to the ſumm of One hundred and ninety Thouſand, Seven hundred Eighty nine pounds, Eleven ſhillings Seven pence half penny.

And whereas the Barons of His Majeſties Court of Exchequer, have certified unto Us under their Hands, that there have been diſcharged of the ſaid Years Rent ſo aſcertained and returned by the ſaid Commiſſioners by Judgements and Orders of the ſaid Court of Exchequer ſeveral ſums of Money amounting in the whole to the ſumm of Twelve Thouſand One Hundred Seventy one pounds ſixteen ſhillings ſeven pence. part of the ſaid ſumm of One hundred and ninety Thouſand, ſeven Hundred Eighty nine pounds, Eleven ſhillings ſeven pence half penny, which ſaid ſums ſo diſcharged have been adjudged by the ſaid Court to have been aſſeſſed upon Lands, that by the ſaid ACT are not liable to the payment of the ſaid Years Rent, and the ſaid ſumm of Twelve Thouſand One Hundred Seventy One pounds,

pounds, ſixteen ſhillings ſeven pence, being deducted from the ſaid ſum of One Hundred and Ninety Thouſand, Seven Hundred Eighty Nine pounds, Eleven ſhillings ſeven pence half penny, there remains of the ſaid Years Rent but the ſum of One Hundred Seventy Eight Thouſand, ſix hundred and ſeventeen pounds, fifteen ſhillings and one half penny, which falls ſhort of the ſaid Three Hundred Thouſand pounds, the ſum of one hundred twenty one thouſand three hundred eighty two pounds four ſhillings and eleven pence half penny.

And whereas his Majeſty by his Contract with our very good Lord, Richard Lord Viſcount Ranelagh, and his Partners, and his Gracious Letters bearing date the One and twentieth day of September 1671, hath been Graciouſly pleaſed for the eaſe of his Majeſties Subjects in this Kingdom, and out of his Clemency and Favour to them to declare, That they ſhall be allowed Eight half-yearly payments, for the paying and anſwering of the ſaid ſum, which the moneys raiſed by virtue of the ſaid years value, ſhall be found to fall ſhort of the ſaid three hundred thouſand pounds, the Firſt half-years payment thereof, to be made on or before the twenty ſixth day of March 1672: and the laſt payment thereof, to be on or before the Twenty ninth day of September One thouſand ſix hundred ſeventy five, and hath commanded us to cauſe an Aſſeſſment thereof to be made, upon all the Lands in this Kingdom, according to the Power and Authority given unto us by the ſaid Act. And whereas the late Lord Lieutenant and Council, in purſu-

ance of his Majesties said Gracious Letters by their Order bearing date the 19th day of February 1671, did order that towards supply of the said deficiency of the said years value, the sum of thirty thousand pounds should be taxed and assessed on all the Lands in this Kingdom, the same to be paid at two several payments, viz. on the 25th of March, and 29th of September 1672 by even and equal portions, and whereas also we the Lord Lieutenant and Council, in further pursuance of his Majesties said Gracious Letters by our Order, bearing date the One and Thirtieth day of January One thousand six hundred seventy two, did Order that towards the further supply of the said Deficiency of the Years value, the sum of thirty thousand pounds, more should be taxed and assessed upon all the Lands in this Kingdom, the same to be paid at two several payments, viz. one moyety thereof on the twenty sixth day of March one thousand six hundred seventy three, and the other moyety thereof on the twenty ninth day of September, one thousand six hundred seventy three, And whereas also we the Lord Lieutenant and Council in further pursuance of his Majesties said Gracious Letters by our Order, bearing date the three and twentieth day of February one thousand six hundred seventy three, did likewise Order that towards the further supply of the said deficiency of the years value the sum of thirty thousand pounds more, should be taxed and assessed upon all the Lands in this Kingdom, the same to be paid at two several payments viz. One moyety on the twenty sixth

day

day of March last past, and the other moyety thereof on the twenty ninth day of September last past.

And whereas there remains farther to be taxed and assessed for compleating the said three hundred thousand pounds, the sum of thirty one thousand three hundred eighty two pounds, four shillings and eleven pence half penny, We therefore in pursuance of the said clause contained in the aforesaid Act of Parliament, and of the Power and Authority thereby given unto Us, do think fit, and accordingly do Order, that the said sum of thirty one thousand three hundred eighty two pounds, four shillings and eleven pence half penny be taxed, assessed, distributed, raised and levied upon all the Lands in this Kingdom of Ireland, in and throughout the several Cities, Towns and Counties in this Kingdom, according to the several sums, rates and proportions, and in the manner hereafter expressed (that is to say)

And

And We do farther think fit, and accordingly order, that the ſeveral and reſpective Commiſſioners hereby appointed for the ſeveral and reſpective Counties and Cities aforeſaid, ſhall within Ten dayes, (or ſooner if it may be) next enſuing the publication hereof, meet together in the chief Town in each of the ſaid Counties, or ſome other convenient place, by the ſaid Commiſſioners, for that purpoſe to be appointed, which ſaid Commiſſioners, or any three or more of them, giving convenient notice to the reſt, of the time and place of ſuch their meeting, are hereby required and authorized, in order to the effectual and timely putting in execution the contents hereof, to divide and apportion the ſaid ſumm hereby made payable out of each reſpective County and City, in as equal and impartial manner as they can, according to the manner and form hereafter expreſſed.

That the ſaid ſumm ſhall be equally aſſeſſed upon all the Lands and Houſes within the ſeveral Towns, Diviſions, Baronies, and Pariſhes within the reſpective Counties and places aforeſaid, according to the ſumms charged upon the reſpective Cities and Counties aforeſaid, in the moſt equal and indifferent way, that the ſaid Commiſſioners, or the greater number of them ſo aſſembled, ſhall agree upon.

And to the end no difference may arise in any case, between Landlord, Tenant, and Occupier, what proportion of the said summe the Landlord or Tenant shall respectively pay, the said Commissioners shall at their general meeting, set down some Rule, and ascertain (according to equity and good conscience) what they shall judge equal for the Landlord, and what for the Tenants respectively to bear, and such proportion as shall be the proportion so adjudged to be paid by the Landlord of the said Farmer, Tenant, or Occupier of the said land or house, he the said Farmer, Tenant, or Occupiers of such land or house, shall pay and discharge, and for the same shall be acquitted and discharged of so much of his or their Rent, as the said tax charged on the Landlord shall amount unto, and such payment shall be as effectual to all intents and purposes, as if the same had been actually paid to his Landlord, or to any other person or persons unto whom his rent shall become due and payable.

That if it shall happen, that any of the aforesaid tax be laid on any lands or houses that are waste, and not sufficient to answer the same, or that any summ hereby assessed upon any County, Division, or other place, shall by neglect, mistake, or otherwise, fall short of what was to be thereupon levied in such case, so much thereof as shall fall short by any the occasions aforesaid, shall be re-apploted by the said Commissioners according to the same directions, equally in the County, Barony or place wherein such failer shall happen as aforesaid,

and

and ſhall be raiſed and levied in like manner as aforeſaid.

That the ſeveral and reſpective Commiſſioners hereby appointed in the ſeveral and reſpective Counties and Cities, ſhall meet together as occaſion ſhall be from time to time; And that the ſaid Commiſſioners, or any Three or more of them ſhall after the publick Reading hereof, chuſe and nominate two, or three, or more (if they ſhall think fit) of the honeſt and able Inhabitants in the ſeveral and reſpective Baronies, Towns and Pariſhes aforeſaid, and them appoint to take a particular Survey or Eſtimate of each mans Eſtate, and to return the ſaid Survey or Eſtimate thereof, under their hands to the ſaid Commiſſioners, or to ſuch perſon or perſons of them as ſhall be by the ſaid Commiſſioners appointed to receive the ſame. In which ſurvey or eſtimate, all due reſpect is to be had, to value and to rate each Town-land, Tate, Ballibo, Quarter, Diviſion or Denomination of Land according to the value, quantity, quality, and goodneſs of the ſame.

And in order thereunto, the ſaid Commiſſioners upon the return of the ſaid Eſtimate or ſurvey, are to aſcertain what each place (according to the goodneſs or badneſs, by a juſt rule of proportion) ſhall pay, taking care that the bad and courſe land be not charged or burthened with the like ſumm; the profitable lands of better value and worth are and ought to bear;

bear; and also to appoint and ascertain each mans share and proportion due according to the said returns, except they shall see cause to alter the said returns, and to amend any mistakes therein which they are authorized to do if they see cause.

We do hereby further order & declare, That the several sums of money so assessed, in the several counties and Cities of this Kingdom shall be received and levyed by, and paid unto such person and persons, and no other, as by his Majesties Commissioners of the Treasury in this Kingdom shall be appointed to levy and receive the same; And the said Commissioners, or any three or more of them are hereby authorized and directed forthwith to deliver unto such person or persons, as shall by the said Commissioners of the Treasury be appointed, to collect and levy the said money, a particular of what each mans charge in every city, county, or parish shall amount unto, which summs are to be expressed both in figures, and in words at length, together with a Warrant, requiring them forthwith to collect and levy the said several and respective summs to each mans name annexed, and to make payment of the said monies so levied and received to his Majesties said Commissioners of the Treasury of Dub-

And if any person or persons shall refuse or neglect to pay the several summs of money on him or them taxed as aforesaid, that it shall

and

and may be lawful for the Collector or other person or persons so appointed as aforesaid, to receive the said monies, to collect and levy the summs rated as aforesaid by distress, and in case the owner or owners of such distress shall neglect to pay his or their tax, and to redeem his or their Goods so distrained within seven daies after such distress is taken, during which time the said Collectors are not to remove the said distresse out of the Barony where the same were taken; then the said collectors are to cause the said Distress or Distresses to be sold publickly in some Market-place, at the best rate they can, causing the summs charged on such persons to be paid thereout, and the overplus (if any) to be returned to the owner, and the said collector, or other person or persons, authorized for collecting the same, are hereby impowered to call to his or their assistance, any constables or other person or persons in the due prosecution of the premises, which assistance he or they so called, are not to fail to give at their perils.

And whereas several Lands remain in his Majesties hands as undisposed of, or seized for arrears due to his Majesty, which Lands may be liable to pay a proportion of the aforesaid tax, the said Commissioners are therefore in taxing the said Lands, so in his Majesties hands, to take care that no more be taxed, assessed or levied on them, or any of them, but what the Lands may bear a due regard being had to the quality thereof, and the rents and

arrears due to his Majesty out of the said Lands, that so as well the said rents and arrears may be paid, as the summ or sums that shall be so taxed, assessed or levied in pursuance thereof.

And to the end the Commissioners herein named, and all persons imployed by virtue hereof, may duly and impartially demean themselves in the execution of the premises; No Commissioners herein named shall have any vote in any thing concerning the present charges relating to his own particular Estate.

And to the end no disorder may be amoungst the said Commissioners of the respective places hereby appointed, and that there may be no more meeting or sitting of them for any one county but at one place: It is ordered, that at the dissolving of any such General meeting of the said Commissioners, such certain time and places for the meeting of the said Commissioners, or any of them be appointed, as shall be then agreed on, by them the said Commissioners, and published, by which all persons concerned may know when and where to give their attendance.

And the said Commissioners, or any three or more of them, are to cause the said respective summs within their respective Counties and Divisions to be fairly written and subscribed by them, and to cause one Duplicate thereof to be delivered to the respective Collectors that

shall

shall be appointed by his Majesties Commissioners of the Treasury to levy and receive the said Money, and another duplicate thereof, to be returned into his Majesties Court of Exchequer; and the Clerk to be appointed by the said Commissioners to write the said summs, and to make the said duplicates, shall for his pains therein be allowed two pence in the pound to be paid him by the Collectors that shall be appointed to receive the said monies out of all such summs as shall be collected by them.

And we do further think fit, and accordingly order, That the Books or Schedules of the said Assessment or applotment for the whole summ which shall be charged on each Barony, as the proportion of the said Thirty one thousand four hundred eighty four pounds two shillings and a halfpeny thereout payable, shall be signed by the said Commissioners, or three of them, & delivered to such Collector or Collectors as the said Commissioners of the Treasury shall appoint as aforesaid, on or before the Tenth day of March next, together with a Warrant under the hands & seales of the said Commissioners, or under the hands & seals of three of them, authorizing and requiring such collector or collectors to collect & levy the one moyety of each particular summ, in such Book or Schedule of Assessment or Applotment, contained at or before the six and twentieth day of March next, and to collect and levy the other moyety on or before the Nine and twentieth day of September next, upon the respective counties, cities, and Towns herein above mentioned. And

And we do further think fit and accordingly order, that together with the ſumms hereby appointed to be aſſeſſed, all ſuch ſumm and ſumms of money as by the above mentioned reſpective former Taxes & aſſeſſments of thirty thouſand pounds have been charged on any Lands that have not been collected, by reaſon of the Land or Houſes whereon the ſame have been charged being waſt, or otherwiſe ſhall be Re-aſſeſſed upon ſuch county, City, or Town, wherein ſuch ſumm or ſumms have been charged & have not been collected, & ſhall be given in charge in ſuch Book or Schedule of Tax or Aſſeſſment to be collected & paid in manner as aforeſaid; And it is laſtly declared, That 'tis not hereby intended to make void or weaken any Contracts or Agreement that have or ſhall be made between any Landlord and Tenant, concerning the payment of Taxes.
